Our Mission

At Target, we aim to provide our students with a comfortable and caring setting in the UK to improve their communication in English and develop skills for a more global society. We want our students to leave the course with a better understanding of UK culture and the inspiration to become life-long learners of English.

Our Course and Activity Programme

We focus on developing fluency skills and building student confidence in a friendly and stimulating environment. Our in-house syllabus is based on the Common European Framework of Reference for Languages (CEFR). In order to enhance the language learning experience and give the students a sense of academic achievement, our package includes entry to the Trinity Graded Exam in Spoken English (GESE).

In Liverpool and Lincoln students can opt to take our Inspiration English course instead of General English. On this course students will improve their language skills through the development of a creative portfolio.

On weekdays students have classes in either the morning or afternoon. The rest of the time is spent with Activity Leaders on local visits, excursions or on-site activities.
